LEADING THE WAY

## NON DISCLOSURE AGREEMENT

This agreement is made between \_\_\_\_\_  
(Principal name)

hereafter referred to as **Principal**, and The Inventor Guide, hereafter referred to as **Consultant**, to investigate a possible business relationship. **Consultant** is a provider of new product development, market and technical information and support services.

**Principal** agrees to disclose certain confidential information relating to:

---

(brief description of new product or service)

such as, but not limited to: technical information, trade secrets, designs, drawings, specifications photographs, prototypes, samples, business information, electronic documents, statements, specifications, test results and market information (the "**Principal Information**"). All **Principal Information** remains property of **Principal** and will only be used for the purposes stated above. **Consultant** agrees to keep the **Principal Information** in confidence and not to make any disclosure of **Principal Information** unless authorized by **Principal**. **Consultant** shall protect and preserve the **Principal Information** at least to the same level in which the **Consultant** protects its own data and information of similar kind. No right or license, express or implied, is granted to **Consultant** in connection with the **Principal Information**.

The Agreement shall not apply to any information included in the **Principal Information** which:

1. was lawfully in **Consultant's** possession prior to the execution of this Agreement, as evidenced by dated written materials;
2. is subsequently obtained lawfully by **Consultant** from other sources;
3. was publicly known or generally known by those in the industry as of the date of this Agreement;
4. is required by law to be disclosed;
5. **Principal** instructs **Consultant** to make public; or
6. hereafter becomes part of the public domain other than through violation of this Agreement by **Consultant**.

This agreement remains in effect until **Principal Information** becomes part of the public domain other than through violation of this Agreement by **Consultant**. All disputes will be subject to Canadian or Ontario law.
